Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Monday 27 Sep 2021

++ Valid for broadcast between 1800 and 0600

Headline:
A dry and clear evening for most.

This Evening and Tonight:
A dry and clear evening and night for most, with the chance of some showers, particularly for those in the west. Winds easing through the evening and night and feeling cooler than recent nights. Minimum temperature 8 deg C (46 deg F).

Tuesday:
Starting generally dry and cloudy, the odd shower in the west. Showers increasing around midday, ahead of a heavy band of rain crossing the region in the late afternoon. Blustery. Maximum temperature 15 deg C (59 deg F).

Outlook for Wednesday to Friday:
Sunny spells and showers on Wednesday. Further showers on Thursday and Friday, some potentially heavy and thundery. Windy and feeling cooler through the period.
